Allowable Subject Matter

Claims 1-2,4-8, 10-12 and 15-30 are allowed.

The following is an examiner's statement of reasons for allowance: Claims 1-2, 4-8 and 10-12 are allowed for the reason stated in the previous office action, page 4, second paragraph, mailed 12/17/04. The newly added claims 15-30 are allowable for at least the same reason. In addition to the stated reason for allowance, the examiner wishes to add the following comment. Although the curved surface mirror (15) disclosed in the prior art to lizuka can be replaced with a lens having the same optical power as that specified for the curved surface mirror, it would have been unobvious to one of ordinary skilled in the art to modified lizuka by replacing the curved surface mirror (15) with a lens so as to meet the claimed invention because there would be no motivation for the modification, because the use of a lens instead of the curved surface mirror would make the scanning apparatus larger in size which is contradict to the teaching in lizuka (column 2, lines 19-25).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
